The view looking west on the course of the Cane Bay 5mile Road Race...located on the North shore of St. Croix, Virgin Islands USA, the race is traditionally the last race of the year on the V.I.Pace Runners calendar and is meant to be, with its flat and scenic views and cool temperature, a reward and Christmas gift at the end of the year.

Note: At least two feature motion pictures have been filmed at this location including: *The Island of Dr. Moreau* 1977 and *Trading Places* 1983
