# THINGS YOU NEED TO KNOW ABOUT REQUESTING EVENT TICKETS

*Requesting event tickets for an Olympic Games is far more complex than purchasing tickets for any other sporting event. However, if you read the following information before submitting your ticket request, you will be able to complete your ticket order form with the minimum of complications. Cartan Tours utilizes this method for "Ticket Only Purchasing" and for "Flex Packages." Clients selecting Cartan's "Fixed Itinerary Packages" are not required to complete the form at the back of this brochure.*

## TICKET CODES & EVENT SCHEDULE INFORMATION

### TICKET CODES

Each ticket is sold for a single session, date, location and price. There are up to five price categories per session. Each ticket gives access to everything listed within that session in the Event Schedule.

Each ticket is represented by its own TICKET CODE.

For example:

AT005AA

AT = Athletics

005 = The fifth session of this sport

AA = Top price category\*

\* Where there is only one price category for tickets, these are all coded with "A."

PLEASE NOTE that dates and times given for the events are based on the most up-to-date information available but are subject to change in response to alterations to the program made by LOCOG. We will use our best efforts to keep you updated on any changes that might affect your choice of tickets.

### SPECIAL TICKETS FOR YOUNG PEOPLE AND SENIORS

A limited number of tickets for more than 200 sessions will be sold through LOCOG's public sales program at special prices for young people and seniors. The special prices will only be offered for the lowest two price categories within a session, or, in cases where a session only has two seating categories, they will be offered in the lower category. These sessions are marked with an asterisk in the event schedule.

Young people who are 16 and under on the date of the Opening Ceremony (27 July 2012) will pay the British pound equivalent to their age for a ticket.

Seniors aged 60 and over on the date of the Opening Ceremony (27 July 2012) will pay the maximum that a young person would: £16.

### Process for ordering youth and senior tickets:

There will be no change in the initial request and allocation process. All tickets, including those destined to be used as special tickets for youth and seniors will be charged at their normal price. Once confirmed by LOCOG spectators will receive a credit equal to the difference between the full and the discounted ticket price. When ordering one of these tickets please provide the name and age of the person that will be using the ticket. At Games time, all spectators with a "pay your age" ticket will be required to show proof of age when entering a venue during the Games.

### TICKET PRICES

The U.S. dollar ticket prices shown in this brochure are the official selling prices as authorized by the London Organizing Committee for the Olympic Games (LOCOG) and the International Olympic Committee (IOC) for Cartan Tours and other Authorized Ticket Resellers doing business in U.S. dollars. The British Pound Sterling prices represent the face value of the tickets and are available only to United Kingdom residents. As per our agreement with LOCOG and the IOC, all ticket purchases include allowable handling and processing fees and a currency exchange rate adjustment. This has been set at 20% of the ticket cost for tickets that are \$325 or less and a flat rate of \$65 for tickets over \$325.

### CEREMONY TICKETS

The Opening and Closing Ceremonies of any Olympic Games are the focal point of great interest and anticipation.

With a worldwide audience of around four billion expected to be watching the Ceremonies "live" on television, the demand for tickets is always insatiable. While we have secured an initial allocation of tickets for both Ceremonies and will continue to try to secure more, the overall number of tickets that we will receive is likely to be very small in comparison to the demand. In addition, historically the

tickets that are allocated to Authorised Ticket Resellers are in the higher price categories. This is likely to be a pattern that will continue as we secure more in the future. If you are considering requesting tickets for either of the Ceremonies, to avoid great disappointment, please take into account that the lower price tickets may not be available and therefore request the highest price ticket you are willing to accept.

### **TICKET ARRANGEMENTS FOR SPECTATORS WITH DISABILITIES**

All venues will have designated disabled seating. However, the number of spaces will vary from venue to venue. In addition, most official transportation vehicles are expected to be designated to be accessible to spectators with different types of special needs. It should be noted, however, that it might not be possible to get to the gates of every venue on the transportation system, so some walking may still be required.

If you are a wheelchair-user, limited in your mobility or suffering from visual impairment, please ensure that you send in a covering letter to accompany your Ticket Request Form detailing your requirements so that we can relay this information to LOCOG in advance. Please note, however, that seating for “companions” in the designated disabled areas will usually be restricted to one seat, so larger parties including a disabled spectator may not be able to be seated together.

### **PARENTS AND FAMILIES OF COMPETITORS**

LOCOG is aiming to deliver a service that gives each athlete the opportunity to purchase one or two tickets for almost every session in which they are competing. The sale and distribution of these tickets will be done through each country’s National Olympic Committee beginning April 2012. If you are traveling to the Games to see a close family relative compete please contact your country’s NOC for information on athlete and family tickets. Should you require more than the one or two tickets allocated to this program you must request them from Cartan Tours.

### **RESERVED SEATING & GENERAL ADMISSION VENUES**

As in previous Olympic Games, detailed information is not yet available regarding venue plans. This includes the allocation of seat/standing areas at the venues to the specific price category, or which actual seat areas will be allocated to us at any of the events. These details will only be advised to us shortly before the start of the Games, so no notification of seat locations or other stadium information can be given out prior to the actual distribution of tickets.

In addition, as LOCOG has not yet published details of their policy for allocating blocks of seats, we cannot undertake to seat groups or large parties together, although we will obviously do our best to do so.

There are a number of venues which will be designated as “general admission” – i.e. a ticket is required for entry, but there is no reserved seating, or there will be “general admission by price category” i.e. with different sections designated for different price categories but no reserved seating within the sections. They are likely to include such sports as Rowing, Equestrian Eventing, certain Tennis sessions, but will not include principle stadium sports such as Athletics, Aquatics, Basketball, Ceremonies, etc.

### **TRANSPORTATION**

- The majority of spectators are expected to travel to the Games by rail (Underground, Over Ground, Docklands Light Railway and mainline services) and there are good rail links to all London-based venues.
- All spectators may ride the existing London public transportation system free of charge on the day to which they possess a valid Olympic ticket.
- Rail services also run to venues in outer London and throughout the UK. Where the distance between the main rail link and venue is too far to walk, shuttle buses will take spectators to the venue’s front door.
- The existing public transportation system of London will be complemented with a Spectator Transportation System specifically designed for the transport of spectators. The general principle of the Spectator System is that the Underground, Over Ground, Docklands Light Railway and mainline services rail system is one of the best in the world and will provide easy access to the venues.

**Event Ticket Only** clients will receive officially printed material detailing the public transport services for the Games period and this will accompany the event tickets when they are distributed. Clients on Cartan’s “Inclusive Itinerary Programs” and “Flexible Programs” will receive regular updates giving details of the progress of the official transportation plans and other information that might be of use in their Olympic Games preparation.

### **DISTRIBUTION OF EVENT TICKETS**

The Event Tickets will NOT be able to be dispatched to clients before their departure to London. Event tickets will be distributed from our ticket center in London which will open a few days before the Opening Ceremony and will remain open throughout the Games. Full details of the distribution arrangements for tickets will be published approximately three months before the start of the Games.

# SPORTS VENUES

*Venues for the London 2012 Olympic Games will be primarily located in the Greater London area, however some sports will take place at venues throughout England and the UK. Some football games will be held in Wales and Scotland, alleviating some of the pressure on London's venues. For more details on venues and their locations visit: <http://www.london2012.com/games/venues/>*

In London, the venues will be divided up into three zones:

- Olympic Zone
- River Zone
- Central Zone

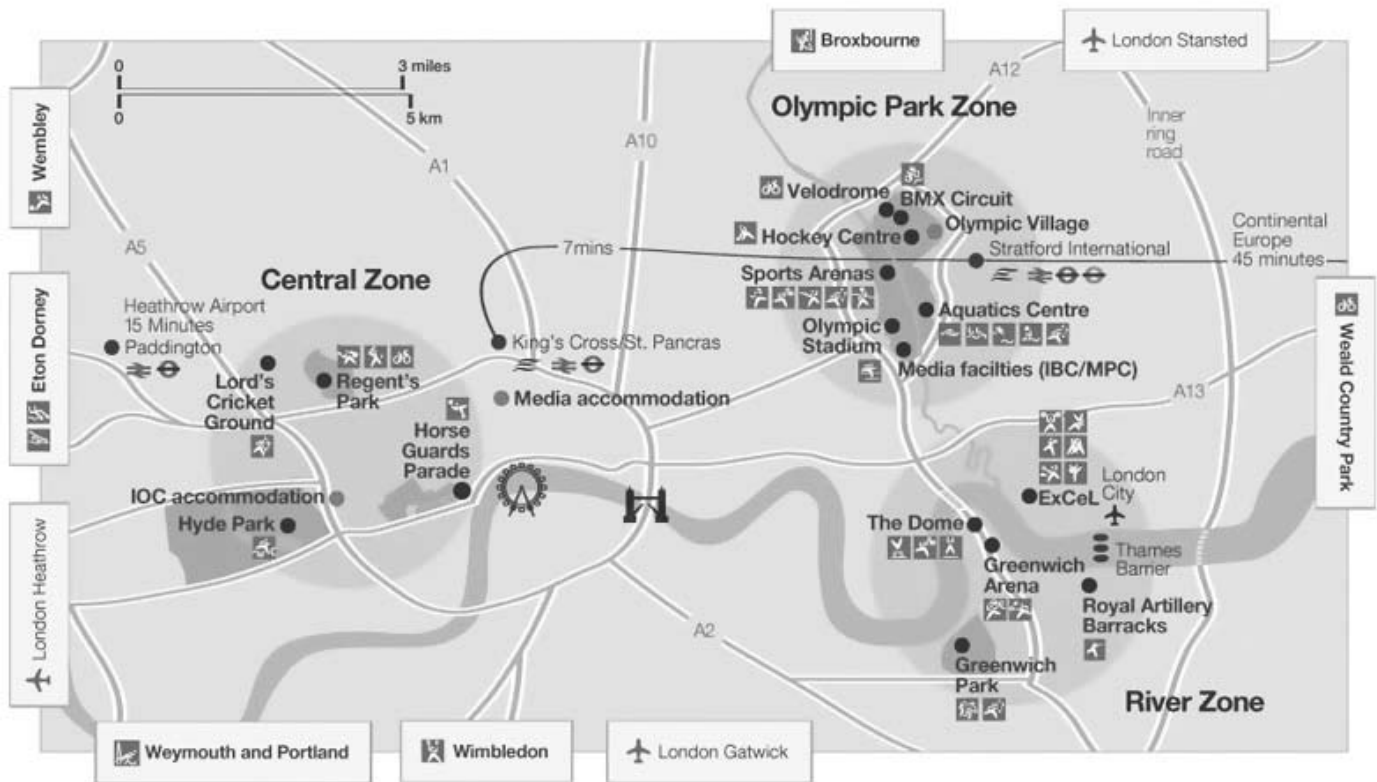

The Olympic Zone, based in London's east area of Stratford, will encompass all of the venues and facilities within the 2 km<sup>2</sup> of Olympic Park. The Olympic Stadium, the Aquatics Centre and the Basketball Arena are just a few of the venues in this zone.

The River Zone, straddling the River Thames, contains venues for boxing, artistic gymnastics and equestrian, among several others. The relatively new O2 Arena, where several sports are held, is the former Millennium Dome.

The remaining venues in the Greater London area will be a part of the Central Zone. Wembley Stadium, Lord's Cricket Ground and Hyde Park, as well as most of the Olympic Marathon Course, are all part of several venues in this zone.

# TOP 10 THINGS TO REMEMBER WHEN SUBMITTING YOUR TICKET REQUEST

1. Ticket Prices listed on Cartan's website and in the brochure are more than what is available on the LOCOG website to residents of the United Kingdom and European Union/European Economic Area Member Countries. Ticket prices are established by LOCOG and converted from GBP to U.S. Dollars at a fixed exchange rate and are inclusive of handling fees. LOCOG permits Authorised Ticket Resellers to charge handling fees.
2. Please read the event schedule carefully. This should help answer many of the questions you may have. If you need further assistance, please call our experienced ticketing team for more information at +1 310 546-9662.
3. Please ensure that you have thoroughly read the Cartan Tours Ticket Request Terms and Conditions. It is important that you are familiar with these before requesting your tickets.
4. When planning your itinerary, leave plenty of time for traveling to and from the venues and allow for queues entering and exiting the stadiums. It has been our experience that transfers between venues can take a minimum of two hours.
5. Do not try and visit too many events each day as this will make you extremely tired and will decrease your enjoyment of the Games. We recommend that you try to avoid visiting more than two events per day.
6. For every "first choice" event ticket select a "second choice" event ticket as this improves your chances of obtaining tickets.
7. In the ticket allocation process, ticket requests will be checked against availability and fulfilled in the following order.  
We will try and confirm your 1st Choice Event – If it is unavailable we will check for a lower category for the same event. If the event is not available in any category we will look to see if your 2nd choice is available.
8. We strongly advise that you do not plan to attend an event on either your day of arrival or departure. Remember that you will need to collect your tickets from our ticket center in London. This may affect the event you plan to watch first on the date you plan to arrive in London.
9. When completing the Ticket Request form, please make sure that all the entries are clearly written. You must also ensure that the form has been signed and dated.
10. List the name of each individual who will be using the event tickets. Should your party be larger than six people you may attach the additional names to your Ticket Request Form. Only one ticket per event per person may be requested.

REMEMBER – THE EASIEST WAY TO REQUEST TICKETS IS VIA OUR WEBSITE AT – [www.cartanglobal.com](http://www.cartanglobal.com)

# EVENT TICKET TERMS & CONDITIONS

## Information You Need to Know

***The following terms and conditions for ordering event tickets are put forth by Cartan Tours and are in accordance with regulations set forth by LOCOG. By submitting your order on-line or by completing the Event Order Form you are agreeing to the Event Ticket Terms & Conditions.***

Use of tickets for promotional purposes for any third party, product or service, including contests or for the intent of re-sale, is strictly prohibited. Cartan reserves the right to refuse to supply the tickets and cannot be held liable to make any refunds. Further, Cartan cannot be held liable for any out of pocket expenses that may be incurred by a third party that seeks to undertake an unauthorized promotion, but is subsequently forced to cancel the said promotion if Cartan refuses to supply the tickets.

To purchase tickets from Cartan, you must be a resident of one of the countries mentioned on page 2 and represented on the back cover.

**All ticket requests received by April 30, 2011 will be weighted equally as a group and given first priority in the ticket selection process.** When Cartan confirms event tickets in June 2011, these ticket requests will be fulfilled first, using a random computerized selection process. You have the best chance of getting the event tickets you want if your order is in this group. You will receive confirmation of the tickets we were able to confirm for you within 15 days of the allocation.

**All ticket requests received between May 1, 2011 and September 30, 2011** will be prioritized by month received and each month's requests will be weighted equally as a group in the ticket selection process to occur October 2011.

All ticket requests received between October 1, 2011 and December 31, 2011 will be prioritized by month received and each month's requests will be weighted equally as a group in the ticket selection process to occur January 2012.

Example: Ticket requests received in May will have a priority over requests received in June and so forth. When Cartan confirms event tickets in October 2011, and January 2012, these ticket requests will be processed by month received, using a random, computerized selection process. You will receive confirmation of the tickets we were able to confirm for you within 15 days of the allocation.

**All ticket requests received after January 1, 2012** will be processed on a first-come, first-served basis. You will receive confirmation of the tickets we were able to confirm for you within 15 days after we receive your request.

**Cancellation of complete ticket orders must be sent to Cartan by registered mail no later than April 20, 2011.** Your refund will be issued minus a \$65 processing fee. For requests received after April 20, 2011, no refunds will be made except in the situations specified below.

If you receive confirmation of 20% or less of your total ticket order, you may request a refund of your complete ticket order, minus the \$65 processing fee. Such cancellations must be requested in writing by registered mail no later than 15 days after confirmation. Ticket requests submitted after **January 1, 2012** may not be cancelled or refunded, regardless of the percentage confirmed.

LOCOG reserves the right to make alterations to the event schedule and/or content of individual sports sessions at its exclusive direction and without notice. No refunds will be provided if the content of a sports session is altered and the spectator no longer wishes to attend. LOCOG also reserves the right to alter, without refund, the seating/spectator arrangements at individual venues without prior notice.

Should LOCOG cancel any event and offer a refund on applicable tickets to Cartan, this refunded amount (face value of the ticket) will be extended to the purchaser. Schedule and venue changes are not considered cancellations, therefore no refund will be allowed.

***Cartan cannot be responsible for schedule changes or missed events.***

For tickets processed on the same order form, every effort will be made to have your party seated together. However, seat assignments cannot be guaranteed either by location in the venue, nor for members traveling together. Seat locations will not be known in advance.

Cartan assumes no responsibility for lost or destroyed tickets. Note that lost or destroyed tickets are not replaceable. Tickets in their entirety must be presented in good condition for entry to all events.

Ticket prices and conditions for sale are established by LOCOG. Ticket prices are subject to change. The ticket prices published in this brochure are in US\$ and include a 20% processing fee for each ticket up to a capped amount of £40 per ticket.
