The 26th Annual Olympic Day Run "The Magic of The Mile" was held in St. Croix on Saturday afternoon. Open to all, with a special invitation to the 22 sport federations (their clubs, members and affiliates) that are members of the Virgin Islands Olympic Committee. Athletes, coaches, officials and volunteers of the sports federations participated in a series of five 1 mile events on the St. Croix Educational Complex Track including: 20 minute, 15 minute, 10 minute, 7 minute and 6 minute groups.

The fastest times of the day were posted by 14 year-old Malique Smith of the St. Croix Track Club with a time of 4 minutes and 58 seconds. The fastest female time was posted by Ninfa Barnard also of the St. Croix Track Club and the University of Arkansas Pine Bluff (recently set the Virgin Islands record for the 800m in 2:09) with a time of 5 minutes 19 seconds. Each of the participants were provided time, calories burned per hour and total calories burned. Special Olympic certificates, V.I. Olympic pins and t-shirt were awarded to each participant, official and volunteer.

The full results are posted on the following web sites:

Hans Lawaetz, President of the VIOC and Tom Guthrie, Vice-President, welcomed the participants and pointed out that this is the countdown to the London Olympics. Lawaetz called the names of the Virgin Islands Olympic qualifiers to date and asked for continued support of their efforts to prepare for the Games. He acknowledged former Olympians present for the days activities including: Ana Guterrez, the first V.I. female marathon runner (Barcelona 1992); and additional track and field Olympians present including: Keith Smith; Ronald Russell and Wallace Williams.

The Olympic Day run is held on the day around the world to bring attention to the development of the Olympic movement. The Virgin Islands Pace Runners has organized the event since the beginning. The St. Thomas Association of Road Runners in St. Thomas organizes an Olympic Day Run 2Mile event for the occasion.

Ronald Russell, President of the Virgin Islands Track and Field Federation acknowledged the participants and thanked everyone for supporting track and field; emphasized that the Virgin Islands will have the most competitive track and field Olympians in V.I. history in London (V.I. first competed in the Olympics in Mexico 1968 and has only missed one Moscow 1980 Boycott).

Wallace Williams, of V.I. Pace Runners, is the event organizer and General Secretary of the Virgin Islands Track and Field Federation, he acknowledged Theresa Harper a two-time medalist for the CAC Championships V.I. Cross-Country team and special guest, Iyeachia Petrus, the first female to represent the Virgin Islands in the 1st IAAF World Championships in 1983 in Helsinki, Finland in the 800m at the age of 15. She is a multiple medal winner in the CARIFTA Junior Championships. Williams also acknowledge the Leeward Islands V.I. National Junior Track and Field Team which won 18 medals in Tortola recently. He presented the prizes (V.I. National Track and Field Team uniform by Mizuno) to the four youths who won the raffle at the World Athletics (Track and Field) Day event in May. They were: Migeul Henneman, Xiaxiang Washington, Michelle Smith of the St. Croix Track Club and Walton Jack of the Hounds and Foxes Track Club.

Williams also announce to all present that the Virgin Islands Track and Field Federation is seeking donations of Frequent Flyer Miles to assist families of V.I. Olympians to travel to London to see the games. Information on how to donate miles can be found on: <http://virginislandstrackandfield.org>
