Several future Olympians participated in the event including members of the St. Croix Dolphins Mathew Lawaetz, Jonathan Thomas among others. The fastest mile of the day was recorded by Malique Smith a recent graduate of the St. Croix Educational Complex High School and a member of the St. Croix Track Club, his time was 4:58. Malique dominated middle distance and cross-country races throughout his high school years and represented the Virgin Islands in a number of CARIFTA, CAC championships. He will compete in the Pan Am Junior Championships in Canada before attending college at the University of Arkansas Pine Bluff.

Mikaela Smith, Malique's 13 year-old sister ran the fastest female mile of the day with a time of 5:58. She too is a St. Croix Educational Complex High School student/athletes and a member of the St Croix Track Club. She continues to represent the Virgin Islands in championship competition and will compete in the CAC Age-Group Championships in Trinidad and Tobago in July.

Participating in the event were Olympians Ronald Russell 1976 and 1984, President of the Virgin Islands Track and Field Federation who also presented awards on behalf of the Virgin islands Olympic Committee; Keith Smith 1992, coach of the St. Croix Track Club and father of Malique and Mikeala and Wallace Williams 1988, General Secretary of the Virgin Islands Track and Field Federation, event director and founder of the Virgin Islands Pace Runners.

Virgin Islands Olympic Committee President Angel Morales publicly extended to the Virgin Islands community an invitation to support the Olympic movement by participating in the Olympic Day runs on June 20th in St. Croix and on June 21st on St. Thomas.

Olympic Day is celebrated all around the world: hundreds of thousands of people – young and old – get moving and participate in sporting and cultural activities, such as runs, exhibitions, music and educational seminars. Olympic Day was introduced in 1948 to commemorate the birth of the modern Olympic Games on 23 June 1894. The goal was to promote participation in sport across the globe regardless of age, gender or athletic ability. Over the last two decades, the event has helped to spread the Olympic ideals to every corner of the world.
