Juan Robles in relaxed stride takes first in the 27th Paradise 5K...he jumped on a flight to St. Thomas the next day to go for the record in the annual Carnival and on yet another flight Saturday back home to St. Croix to do a run leg in the Ironman St. Croix 70.3 Triathlon

The running of the 27th edition of The V.I.Pace Runners Paradise 5K gave local and visiting runners what they wanted, a tour of the toughest part of the run

leg in the 70.3 Half-Ironman and a chance to run with each other. Juan Robles made a busy weekend of it as he took the lead from the start and never trailed and finished first with a time of 16:42. Billy Bohlke, doing it because he loves it, was second in 19:03; Tony Jolly was third in 19:46.

The female race was much closer as St. Croix's Rachel battled Claudia Beristan of Mexico for the title, Beristan held on to win over the St.Croix Track Club/Country Day Good Hope runner by a mere six seconds, 23:10 to 23:16. Stacy Menyez of Des Plains, Illinois was third in 27:35.

The group of approximately three dozen an international field saw the top ten males and females awarded race medals and race certificates. Each runner received a retro V.I.Pace Runners t-shirt. It included a contingent of International Triathlon Union officials on island to conduct a triathlon coaching course hosted by the Virgin Islands Triathlon Federation.
