- Team scores are based on the addition of the first 5 places of the athletes for each team (lowest score wins).
- The 6th and 7th runner for each team will offset the score for runners finishing after them. For teams with more than 7 runners only the runners 1 through 7 will have a score.
- Ranking for schools with fewer than 5 athletes is accomplished by giving priority to the number of athletes on the team (team with higher number of athletes is ranked higher) followed by team score compared to teams with the same number of athletes.
- Scores for teams with fewer than 5 athletes are not posted.
