MARCH 1, 2018 DRAFT

This is the official calendar of track and field, road running, cross-country of the Virgin Islands (ISV). The Virgin Islands Track and Field Federation (VITFF) by virtue of its affiliation with the IAAF, APA, NACAC, CAC, VIOC is the governing body for the sport/s for the Virgin Islands. Under its authority competition in the Virgin Islands is sanctioned (see rule). This calendar is published for the purpose of information. Not all the competitions on this calendar are sanctioned by VITFF.

The VITFF registers athletes, coaches, officials, parents, volunteers, clubs; determines eligibility and qualification of athletes for V.I. national teams in the various disciplines according to established standards.

The VITFF stages national championships in track and field, road running (marathon, ultra-marathon), cross-country for all age applicable age-groups. The annual 4H-V.I.Pace Runners Cross-Country Series and the various development and championship meets incorporate the St. Croix/St.Thomas/St.John Interscholastic Series/Championships.

Currently the three synthetic surface tracks in the Territory are not accessible/available for competition. There are no suitable track and field facilities accessible/available for competition.

This calendar will be revised accordingly.

Competition is available in neighboring NACAC countries. Contact VITFF for information on gaining entry and travel to those competitions, particularly athletes interesting in qualifying for national teams.
