*The 30<sup>th</sup> Annual Women Race Features V.I.'s Top Male and Female Runners...Honors WCSC Founder, Mary Mingus...*

---

The annual Women Race hosted by The Women's Coalition of St. Croix usually adds a new feature each year. The venue switches between the historic towns of Christiansted and Frederiksted with starts and finishes at the two historic forts, main attraction for one of the organization's main fundraisers. This year, the 30<sup>th</sup> anniversary for the race featured the entry of male runners for the first time and only for this year in the traditional all-female race. The race included the strongest competitive field of runners in a V.I. race in years as the very best males and females in all categories made it to the start line for the 1.68 mile course along the shore (the standard distance is 2 miles) on a cloudless Sunday afternoon near sunset.

**Juan Robles** a V.I. National Track and Field Team member who is a CARIFTA Junior medal winner and national record holder for the Steeplechase and running for The Virgin Islands Pace Runners secured the lead over the field of just at 500 registrants which included the top V.I. junior runners **Malique Smith** of the St. Croix Track Club and St. Croix Educational High School and **Ateniah Roacher** of Cheetah's Track Club and Eudora Kean High School. At the turn-around at Mahogany Road Robles, the 2013 V.I. Half-Marathon Champion pulled away for good coming back up King St. and to Strand St. to win the race in a time of 8 minutes and 27 seconds or 5:02 per mile pace. This group would take the first three overall spots in the race and were mere seconds apart (Robles 8:27; Smith 8:56 5:19 per mile pace; Roacher 9:10 5:28 per mile pace).

It was a fast race and the women would not be denied as at least three former winners of the race were there and in the overall mix. **Ninfa Barnard** the V.I. National Team Member and defending champion who holds several national middle distance records and running for the St. Croix Track Club contended for the overall lead in the race

early on with past winner and 2013 V.I. Half-Marathon Champion **Ruth Ann David** and V.I. Marathon Champion **Bridget Campbell-Klein**. These three were right with the men at the turn around and would actually battle for the overall third place in the race to the end. Barnard won the women's title with a time of 9:12 (5:29 per mile pace) and just 2 seconds behind the third place male in truly the most exciting finish in the race's history. Campbell-Klein hung on for second in 9:54 (5:54 per mile pace) and clipping David for third in 9:57 (5:55 per mile pace).

Along with excitement of having the very fastest runners in the Virgin Islands take part in this great race, the battle for who would win the various titles in a number of categories meant to make the race fun for all in the community was on. They included age-groups, fastest team, school with the most participants, partners, mom with baby, stroller and caboose category which offered the rare opportunity for all family members to participate in a fun and healthy event which supports a very important cause.

Category winners: Partners—Ninfa Barnard/Juan Robles; Fastest Team—The St. Croix Track Club; School with most participants—Good Hope-Country Day—Caboose (last place finisher—Shirley Govine 44:21 26:24 per mile pace).

Notes:

- 1] The 30<sup>th</sup> Anniversary event honored Mary Mingus a founding member of the Women's Coalition who with Wallace Williams, Race Director founded the Women Race.
- 2] There were over 500 registrants for the race with 382 official finisher (280 females 102 males) 485 unofficial finishers.
- 3] Past winners in the race included: Rachel Witty who holds the race record 11:28; Ruth Ann David; Ninfa Barnard and Mikaela Smith
- 4] The race started at Fort Frederik and continued on the historic King St. and finished in front of the Custom's House where the Emancipation of enslaved Africans took place in 1848.
- 5] The official race and course record will remain as Sunday's distance changed for this year only
