

*"Never Another Battered Woman
Nunca Mas Una Mujer Maltratada"*

Runners with less than a mile to the finish...top three finishers (right to left) Ninfa Barnard, Mikaela Smith, Mireille Smith

The 27th Annual Women Race took place in historic Christiansted on Sunday afternoon and though the number of participants were a bit lower than in previous years, the excitement with celebrating the 30th anniversary of The Women's Coalition of St. Croix did not go unnoticed by the runners and walkers and spectators on hand for the annual female only event.

Ninfa Barnard of the St. Croix Track Club, who just completed her sophomore year at the University of Arkansas Pine Bluff where she is a star cross-country and middle distance runner, defended her title in the 2 miler on Sunday easing through the basically flat course with a time of 12 minutes 31 seconds. The weather was hot and humid and the competition was keen as the St. Croix Track Club took the top team honors and four of the top five spots. Barnard led the race from the beginning at the Customs House of the National Park Service.

What was a surprise to the dozens of onlookers and no doubt to the race participants, was the development with second place as the runners made the turnaround and back . Nine

year old Mikaela Smith also of the SCTC, seemed comfortably in second place and ahead of her mom Mireille, a former All-America middle distance runner for Surinam and Eastern Michigan University where won the NCAA Indoor Championships in the 1500m! Smith, the daughter finished third last year behind her mom and apparently is getting the feel for what it takes to do these races as she finished second in 12:47! Her mom of SCTC was third in 12:53, Julie Somer made a move in the final mile to finish a close fourth in 13:04 holding off Stephanie Mathew of SCTC who finished fifth in 13:05.

Participants received overall and age-group category awards, including a special category added this year to honor the celebration, the mother/daughter team award which was won by the Smith's.
