The 35th running of the Women Race was most competitive...

V.I.Pace Runners Photo

The arrow points in the right direction, to the top finishers in the 35th Annual Women Race in Frederiksted, St. Croix, Virgin Islands USA...first was (L-R) Michelle Smith #1, second was Bridget Klein #191 and third was Mikaela Smith #79 and fourth was Rachael Conhoff #197.

The annual Women Race is a major fundraising event which has generated over a million dollars in support of the Women's Coalition of St. Croix. An average of three hundred runners a year means that about 7,500 women have dedicated their first Sunday in June for the past 35 years to this effort; at a distance of two miles for the race coming out to around 15,000 miles of running/walking.

While Sunday's race had close to 300 registered participants, 200 showed up at the historic Fort Frederik in Frederiksted, St. Croix, Virgin Islands. Of the 34 past races, this was the most competitive. History shows that top finishers do it over a period of two to three years. As was the case on Sunday, the St. Croix Track Club toed the starting line with the Smith family with mom Mireille an NCAA Champion; Mikaela a V.I. Youth Olympian and freshman at Austin Peay University and the younger daughter Michelle the defending champion. They were top finisher over the past several years and up against a strong field of runners from Good Hope Country Day School led by their coach Bridget Klein, Rachel Conhoff a freshman at Ursinus Univ., Megan Lambert among others.

At the 5:00pm start, Mikaela took the lead early, possibly a strategy picked up in cross-country running, as they headed north along the shore; she held the lead at the turn-around about a half-mile out with Klein in the shadows; 13 year-old Michelle was a ways back as they headed north to the bridge and Medrie Cummings Park, Klein put in a serious surge to overtake Mikaela as they headed up King St. to Queen Cross St. where they would turn right and to Strand St.; it was somewhere here where Michelle who had passed her big sister and then Klein went on to finish still strong down Strand St. and through the palm trees at Ann Abramson Pier in a new race record of 11 minutes 17 seconds (held by Rachel Witty 11:29 in

2003 in Christiansted); Bridget Klein was second in 11:32 and Mikaela Smith was third in 11:55. It was the first time in 35 years that the top three finishers ran under 12 minutes!

Awards including the Mary Mingus Trophy went to the fastest in eleven age-groups; fastest team; largest school team; runner with stroller among others.

The Women Race was founded by: Mary Mingus, a Women's Coalition of St. Croix founder and Wallace Williams, Virgin Islands Pace Runners Founder/Race Director
